Press Release – January 6, 2025

Everingham & Kerr, Inc. announced today that Spectrum Clinical Research, Inc. (the “Company” or “SCRI”) has been acquired by a Private Investor Group. Terms of the transaction were not disclosed.

Headquartered in Towson, Maryland, SCRI is a multi-specialty clinical research trial management firm. The Company primarily conducts cardiovascular clinical trials and provides access to the latest pharmaceutical, medical device, and biotechnology therapies. The Company’s leadership team possesses over 40 years of clinical trial management experience. To learn more about SCRI, please visit the Company’s website: www.scriclinical.com.

Everingham & Kerr acted as the exclusive financial advisor for Spectrum Clinical Research, Inc.

For more information on this transaction, please contact Joseph A. Vanore at jav@everkerr.com or 856.546.6655 x114.

About Everingham & Kerr, Inc.

Everingham & Kerr is a merger and acquisition advisory firm that specializes in providing intermediary services for lower middle market companies and entrepreneurs. The firm assists clients across all industries and offers various services including mergers, acquisitions, divestitures, valuations, transaction consulting and exit planning. The firm’s client base has included public and private corporations, investor groups, individual entrepreneurs, management buyout groups and family buyout participants. Everingham & Kerr’s focus is on providing lower middle market companies with highly professional services typically available only from large investment banks servicing much larger clients. The firm provides the resources and highly experienced personnel necessary to ensure maximum results produced efficiently and confidentially.
